A NEW cub pack opened on Monday night at St Luke's Church Hall, Holtye Avenue, East Grinstead, and to celebrate the occasion a birthday cake was made in the new group colours.

Eighteen boys in their new uniforms were invested in front of parents and members of the cub-scout movement. The new pack is the first stage of the 4th East Grinstead Scout Group. It is hoped eventually to form a scout and venture scout group at the hall.

Cub instructor, Mrs Joan Roberts, whose husband Peter is the Group Scout Leader said: "There has been a great demand from local boys to have a

cub pack. The problem is to find enough leaders but we have been very lucky. We are however still looking for a scout leader."

Rev Bob Aiton, curate in charge at St Luke's, thought there was a need for boys' activities at the church especially as there were already two brownie packs and a guide company at the church.

The new cub leader is Mrs Christine Harding and she will be assisted by Mrs Sally Batchelor and Mr Stuart Henriët. Mrs Joan Roberts and Mrs Penny Fisher will be the cub instructors who provide the essential back up.
